

## CHAPTER 6 – LIST OF PREPARERS

Though individuals have primary responsibility for preparing sections of the Draft Plan Amendment and Draft EIS, the document is an interdisciplinary team effort. In addition, internal review of the document occurs throughout preparation. Specialists at the BLM’s Field Office, State Office, and Washington Office review the analysis and supply information, as well as provide document preparation oversight. Contributions by individual preparers may be subject to revision by other BLM specialists and by management during internal review. Table 6.1 presents an alphabetical list of preparers providing extensive input by agency or group. (Some reviewers and BLM employees and contractors providing editing and rewriting assistance are not included.)
